

Innovate – The Park School Lunch Providers

Innovate, our catering service provider prepare all lunches off-site which are then delivered and served in the school hall.

The Park School operate two lunch sittings in the hall one for Y7/8 first and the second sitting for Y9-11.

Parents will need to sign their child up for school meals with Innovate prior to their child starting at The Park in September. You can do so by following the instructions on the attached guide.

Once you have signed up you can order meals for the following week. Meals will need to be ordered and paid for in advance by midnight on Saturday of the current week so that Innovate has the information for the following week.

If you miss the order deadline of midnight on a Saturday you will need to call 0204 542 7211 or alternatively email primary@impactfood.co.uk to place your order.

Menus are available on the Innovate booking site www.ifg-psm.co.uk and we have attached sample menus with this letter for you to look at. If your child receives Free School Meals, you can indicate this during the registration process.
