20th February 2023

Dear Parent/Carer

Re: Year 9 Diphtheria/Tetanus/Polio (DTP) final school booster and the Meningococcal ACWY (MenACWY) vaccination e-consent.

The Children and Family Health Surrey Immunisation team is visiting your child's school on **Friday 24th March 2023** to give the DTP and MenACWY vaccinations to year 9 students.

Diphtheria/Tetanus/Polio 3-in-1 final school booster protects against diphtheria, tetanus and polio. This vaccination will complete the baby injections given pre-school.

Meningococcal ACWY protects against the four strains of meningitis known as ACWY. These diseases are known to affect older adolescents, especially if they go to university or training where they are living in accommodation with other young people.

Further information about the vaccines is available at:

- [3-in-1 teenage booster overview - NHS \(www.nhs.uk\)](#) and [REVAXIS vaccine - \(emc\) \(medicines.org.uk\)](#)
- [MenACWY vaccine - NHS \(www.nhs.uk\)](#) and [Nimenrix vaccine - \(emc\) \(medicines.org.uk\)](#)

Please complete the e-consent form by 4pm on Monday 20th March 2023 by visiting:

- www.surreyimmunisations.co.uk and entering your school's unique code/URN number **SR125461**.
- If you do not want your child to receive a vaccine, then please fill in the 'No' box.

An automated email will be sent to you on completion of the e-consent form from Cinnamon Digital Applications (who host the website). If you do not receive this, please check in your junk email or contact the Immunisation team.

If you have any concerns or would like to withdraw your consent please contact the Immunisation team on the telephone number or email above.

Measles, Mumps, Rubella (MMR)

By now your child should have had two doses of MMR to fully protect them from the diseases of MMR. If your child has NOT had two doses of MMR, and you would like them to be protected, please complete the MMR consent form. Further information about this vaccine is available at: [MMR for all: general leaflet - GOV.UK \(www.gov.uk\)](#)

Please visit the [Children and Family Health Surrey website](#) for information about the school-based vaccination programme and to read our [Privacy Policy](#)

Yours faithfully

Clinical Service Manager

Surrey Immunisation Team

GDPR

On the 25 May 2018 the new EU General Data Protection Regulation (GDPR) came into force bringing with it improvements to Data Protection Regulations. GDPR was enacted into UK Law by the UK Data Protection Act 2018. Under the GDPR organisations have a statutory responsibility to have a Legal Basis when gathering and processing certain data. More details on this and how your information rights are upheld are provided in our Privacy Notice, which can be viewed on our website at www.childrenshealthsurrey.nhs.uk/about-us/privacy-policy

While we will continue to seek your explicit consent for the treatment of your child/children, your information will be processed under the following GDPR articles:

Article 6 (1) (e)

For the performance of a task carried out in the public interest or in the exercise of official authority.

Article 9(2)(h)

Necessary for the reasons of preventative or occupational medicine, for assessing the working capacity of the employee, medical diagnosis, the provision of health or social care or treatment or management of health or social care systems and services on the basis of Union or Member State law or a contract with a health professional.
