

KS3 Homework

Dear KS3 Parents / Carers

Homework will be uploaded to Google Classroom, or subject teachers will give work to tutors to hand out (by the end of Monday of that week).

All students have had their homework accounts activated and have been reminded how to log into Google Classroom. If your son or daughter does not have access to a laptop or PC, or internet access please let your child's tutor know. We have some Chromebooks in school that we can allocate to individual students.

What can I do to help my child at home?

- If possible, provide a workspace or desk with all necessary equipment and stationery.
- Provide your child with the above timetable so that they know what they are expected to work on each week.
- Establish a routine for when homework needs to be done.

If you are having any difficulties, then please contact us so that we can find ways to support you. If you need support with accessing the homework please contact myself, we have technical support available for all students.

Yours sincerely

Mr McCarthy: Assistant Headteacher
