

Dear Parents and Carers

Summer School
Monday 24th July 2023 – Thursday 27th July 2023

I am delighted to inform you that we have secured funding from Active Surrey to be able to run a Summer School again this year. It will run from Monday 24th July 2023 – Thursday 27th July 2023, at The Park School. The club will be run by Park School staff, led by myself, Jane Brown.

The day will run from 9.30am – 3.00pm and lunch and snacks will be provided. (If your child has any dietary requirements, we will be able to cater for that too)

You will need to transport your child to and from Summer School, dropping and collecting them from the main gate only. However, if this is really difficult for you, please indicate this on the Google Form and we will do our best to help.

Summer School is lots of fun and the children have a great time. The main aim of the club will be to develop confidence and social skills whilst having fun doing games, art, drama, music, sport, horticulture and specific team building activities. We will also focus on nutrition and fitness to help students stay active and well throughout the summer.

We are very fortunate to have some outside providers coming in doing some Lego workshops, skateboarding and scooting as well as some interesting healthy science workshops.

Your child can wear their own clothes, but it must be comfortable to be able to do sports in.

We have 25 spaces for summer school, including this year, space for our Year 11 students to come back and join in. We have always been able to offer those students who want to attend a place. However, if we are oversubscribed, priority will be given in this order:

1. Students who are looked after children
2. Students in receipt of Free School Meals and/or Pupil Premium funding
3. Students who are currently in year 7-10
4. Everybody else

Please complete the Google Form, which can be found using the link below, to register your interest and I will confirm your child's place as soon as possible.
