

Having a
Covid-19 test
at school 😊

Our number 1
priority:

Keeping everybody safe

All the testing staff will be wearing PPE...

...so you might not recognise them at first..

These staff are part of the test centre team

	Who?	What?
1	Mrs Thomson <u>OR</u> Mrs Stephenson	<ul style="list-style-type: none">• Meeting you, checking your temperature and how you feel.• Explaining what will happen next.• Taking you in to the test room.
2	Mrs Courage <u>OR</u> Mrs Trowbridge	<ul style="list-style-type: none">• Explaining how the test works and what you need to do.• Helping you if it's a bit tricky.• Making sure you're ok.
3	Mrs Dunckley	<ul style="list-style-type: none">• Checking all the different parts of your test.• Doing the 'processing' (science-y bits) of the test so we get a result.• Timing how long your test has to until we know the result.
4	Mrs O'Connor	<ul style="list-style-type: none">• Checking the whole test is all there and finished.• Scanning your test onto the website.• Writing down the result so we can tell you and your parents / carers.

All the testing staff
do A LOT of hand
sanitising and hand
washing...

This is what we use to do the testing:

Our test centre & what happens when you go for a test...

Entrance

The test room

The test bays

Take a tissue!

The test swab

Throat swab

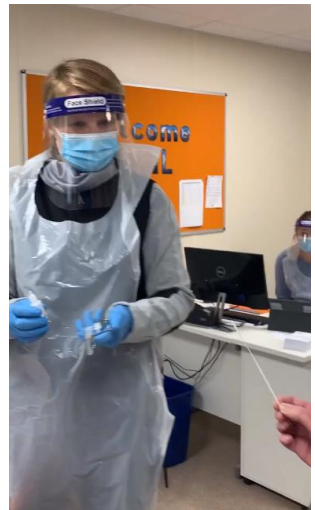

Nose swab

Centre exit

The test bays

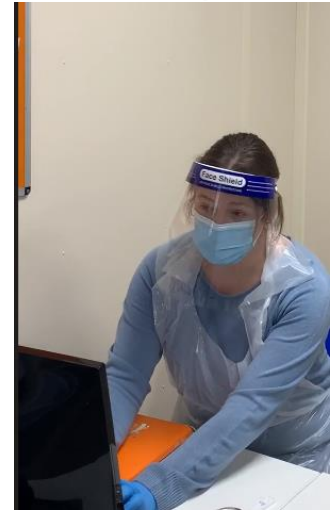

Processing

Timing the test

Result upload

Don't worry about the tests. We are there and will help you all the way through😊
