## WHAT IS "UP"?

UP! Orchestra is an award winning ensemble designed to be accessible for young people aged 13+ of all backgrounds and abilities including those with special educational needs. We are particularly interested in welcoming young people who have been unable to access music education because of their life circumstances and lack of suitable opportunities on offer locally. Whilst there are no specific entry requirements and no audition process we feel that the ensemble is not currently suitable for PMLD/SLD young people. Please do contact us to discuss this if you are unsure.

## WHAT HAPPENS AT THE SESSIONS?

UP! Orchestra is led by an awesome team of professional musicians whose aim is to ensure each participant has a meaningful musical and dance experience regardless of ability, musical interest, vocal style or instrument. The team is experienced in supporting young people in mainstream settings as well as those who have mental health, disability, behavioural, ESL (English as a second language) needs and young people from diverse cultural backgrounds.

## WHAT IS HAPPENING THIS TERM?

This term UP! Orchestra will be exploring music, instruments and dance from India and the Indian diaspora. Please join us and some incredible guest artists including professional dance artist Anusha Subramanyam. This term is looking to be another beautiful journey of music, dance, art and culture. We are aiming to end the term with a performance/sharing event for friends and families.
