

30th September 2022

Dear Parents/Carers,

Y11 Subject Parents Evening

On **Thursday 20th October**, we are holding our Year 11 Subject Parents Evening in school.

Appointments will take place between 6pm and 8pm. Sessions will be split into two different times, 6pm to 7pm and 7pm to 8pm. We will provide five minute appointments for you to talk to English, Maths, Science, ICT, Food Technology and GCSE Art.

Please choose a session that suits you and we will contact you to give you your exact 5-minute time slots. Teachers will have information about your child's progress within each subject which they will be able to discuss with you.

We appreciate that some parents will find it difficult to come into school. If you would prefer not to come into school, we can arrange telephone appointments.

The Speech and Language Team (SaLT) will also be offering telephone appointments to speak with parents and carers of those students whom they are currently supporting. If you would like to discuss your child's progress with them, please also tick the box below.

Please indicate on the slip below the session that will best suit you and whether you prefer a face-to-face meeting or a telephone call (please note that phone calls will be arranged on an alternative day that best suits parents and teachers). Please complete and return the below slip to the School Office by no later than Monday 10th October so appointments can be arranged.

Face to face appointments will be in the school hall and last for 5 minutes per subject.

Yours sincerely,

Lorraine Walton
Assistant Headteacher
