

Dear Parents/Carers,

Year 10 Subject Parents' Evening – Thursday 25th May 2023

On Thursday 25th May 2023, we will be holding our Year 10 Subject Parents Evening in school.

Appointments will take place between 6pm and 8pm. Sessions will be split into two different times, 6pm to 7pm and 7pm to 8pm. We will provide five minute appointments for you to talk to your child's tutor and core subject teachers of English, Maths and Science. Teachers will have information about your child's progress within each subject which they will be able to discuss with you.

Telephone appointments for additional subjects can be requested and will be arranged for an alternative date. If you would like to discuss your child's progress within any additional subjects, please list them on the below slip.

We appreciate that some parents will find it difficult to come into school. If you would prefer not to come into school, we can arrange telephone appointments.

The Speech and Language Team (SaLT) will also be offering telephone appointments to speak with parents and carers of those students whom they are currently supporting. If you would like to discuss your child's progress with them, please also tick the box below.

Mr Walsh will also be providing a talk on E-Safety during both sessions, please tick the box below if this would be of interest to you.

Please indicate on the slip below the session that will best suit you and whether you prefer a face-to-face meeting or a telephone call (**please note that telephone calls will be arranged on an alternative day that best suits parents and teachers**). Please complete and return the below slip to the School Office by no later than Wednesday 17th May 2023 so appointments can be arranged.

Face to face appointments will be in the school hall and last for 5 minutes per subject.

Yours sincerely,

Lorraine Walton
