

July 2021

Dear Parent / Carer,

As we approach the end of the summer term we wanted to extend our thanks to you all for your support over the course of year 8 and 9, both in person where it has been possible and remotely whilst in lockdown.

It has been wonderful to watch year 9 grow and start maturing and we have really enjoyed being their tutors and getting to know them and you. Both classes had a successful transition day on 29th June and feel more comfortable now about the changes that moving into KS4 will bring. We both know they will enjoy working with their new tutors and TAs and are looking forward to witnessing their fantastic progress and achievements!

You may already have made plans for the summer holidays but should you be looking for any information about activities or summer camps for your child we would recommend looking at the Surrey County Council website, which has a variety of possible options:

<https://www.surreycc.gov.uk/people-and-community/families/send-support/holiday-activities>

It would be of benefit to your child to participate in structured activities where they meet new people (both peers and adults) and try new activities as this will not only assist with keep their learning processes in tune for the next academic year but also provide opportunities to socialise and increase their independence.

We wish you all a very pleasant and relaxing summer.

Yours sincerely

Ms F Dunckley
9D Tutor

Mrs F Ward
9W Tutor
