

Parent Governors: Jason Brown
Michael Wainhouse

Dear Parents/Guardians

1. School will be closed tomorrow – Thursday 1st March

The forecast indicates that there is going to be heavy snow during the school run tomorrow so we have decided to make the decision not to open. We have only 70% of students in today and some that are here had journeys of over 3 hours.

We will make the decision about whether to open or not on Friday by 3pm tomorrow. Information will be on our school website www.thepark.surrey.sch.uk and the Eagle Radio website www.eagleradio.co.uk.

2. Cold weather

Fortunately the heating system in the block of Portakabins was updated last week just in time for the cold weather.

We are insisting that students are only allowed outside at break times if they are wearing a coat. Please ensure that your child wears one when they leave for school.

3. Y8 Residential to High Ashurst

Y8 had a great time on their residential and took part in some challenging activities. Yesterday I read the letters that they have written to thank the High Ashurst staff for the fun time that they had. It was nice to see how much they obviously enjoyed it and how proud they were of their individual achievements. It was also funny to see their comments about the incredible full English breakfast that seemed to be the highlight of everyone's day.

4. Boccia Tournament

Congratulations to the team that Trevor Flores took to Guildford. We came 4th out of the 14 schools taking part and had a really good day.

5. GASP: Gomshall, Albury, Shere and Peaslake motor vehicle project

Once again we are really grateful for the sponsorship that has enabled 6 students from Y9 and Y10 to participate in this 10 week project with 2 engineers. They have been taking wheels off go-karts, mending bicycles and learning how engines work.

6. Charity sponsorship

Tham Haroon has asked if anyone would be kind enough to sponsor her son Humza (Y8) in the swimathon that he is participating in to raise money for Cancer Research and Marie Curie. Humza is going to swim over 80 lengths!
