

Dear Parents and Carers

Transport

After half term we are going to trial a new arrangement for end of day collection and getting onto transport home. The arrangement will be as follows:

- All vehicles contracted by Surrey transport will need to collect from the playground. Late vehicles will have to wait until the playground is clear and then they can collect students.
- Parents can choose to either to park and pick up from the playground or park on the road and collect from the pedestrian gate once it is open at 3.15pm. We will check with parents who pick up where their preferred point is on Monday 4th Nov
- In order to ensure safeguarding all students will be registered onto transport before leaving school premises.

Student Diaries

This is an important communication link between home and school. It is vital that students have it on them at all times.

MacMillan

We had a staff MUFTI day, cake sale and coffee morning to raise funds for the cancer charity. We raised over £450.

Harvest lunch

We had a very successful Harvest lunch yesterday. The café was packed with parents enjoying the soup prepared by the Y10 students. Thank you to all those who came to support this event and raised £170 for Plastics Oceans UK.
